### Outlet is "Creating Change"

A group of three De Ambiente youth and one staff went to Creating Change 2016 in Chicago. The group had the opportunity to attend some remarkable events during their stay. The activities included two day-long Institutes, the Racial Institute and the Latino Institute. Both featured important conversations such as "Real Talk Across Race", "Engaging Across POC Communities", and "Latinx Transgender Youth." The youth were able to deepen their knowledge about race, discrimination, prejudice and the intersection of identities, as well as the current situation in the areas of immigration, youth, transgender rights, PrEP (Pre Exposure Proxilaxis) and PEP (Post Exposure Profilaxis).
